Summary

The Office of the State Superintendent of Education (OSSE) monitors the status of FAFSA and DC TAG OneApp applications of District of Columbia seniors from submission to approval. The data herein compiles the number of applications and status of each throughout the approval process.

FAFSA

Each year the Free Application for Federal Student Aid (FAFSA) allows students across the country to access their share of over \$150 billion in federal grants, loans, and work-study funds. The FAFSA allows many colleges and universities to determine the amount of additional need-based aid that students should receive. It should come as no surprise that several national studies have shown a strong linkage between FAFSA completion and college enrollment. As OSSE is committed to increasing the rate of postsecondary participation by District high school graduates, it has created this web portal in order to assist counselors and college access advisors in their work with students around the FAFSA.

DC TAG OneApp

The DC TAG OneApp is the online application college-bound District residents use to apply for funding from the District of Columbia's Tuition Assistance Grant (DC TAG). DC TAG provides up to \$10,000 toward the difference between in-state and out-of-state tuition at public four-year colleges and universities throughout the US, Guam and Puerto Rico. DC TAG also provides up to \$2,500 per academic year toward tuition at private colleges and universities in the District and private Historically Black Colleges and Universities (HBCUs) and two-year colleges nationwide.

Logging into SLED

1. Log into SLED with your username and password.

The screenshot shows the homepage of the SLED (Statewide Longitudinal Education Data) website. At the top left is the SLED logo with the text "Statewide Longitudinal Education Data". To the right is the District of Columbia Office of the State Superintendent of Education logo. Below these is a blue navigation bar with links for Home, Library, Reports, Search, Programs, Related Sites, and Help, and a Login button on the right. The main heading is "DC Statewide Longitudinal Education Data (SLED)". Below this is a paragraph of text: "The Office of the State Superintendent of Education (OSSE) is excited to launch its redesigned Statewide Longitudinal Education Data (SLED) website. This site is intended to enable the sharing of critical information spanning a student's public education experience in the District of Columbia, from early childhood through K12, postsecondary, and into adult education and employment." At the bottom of the text is a "Learn More" button.
